

Rev. Justin Mulenga

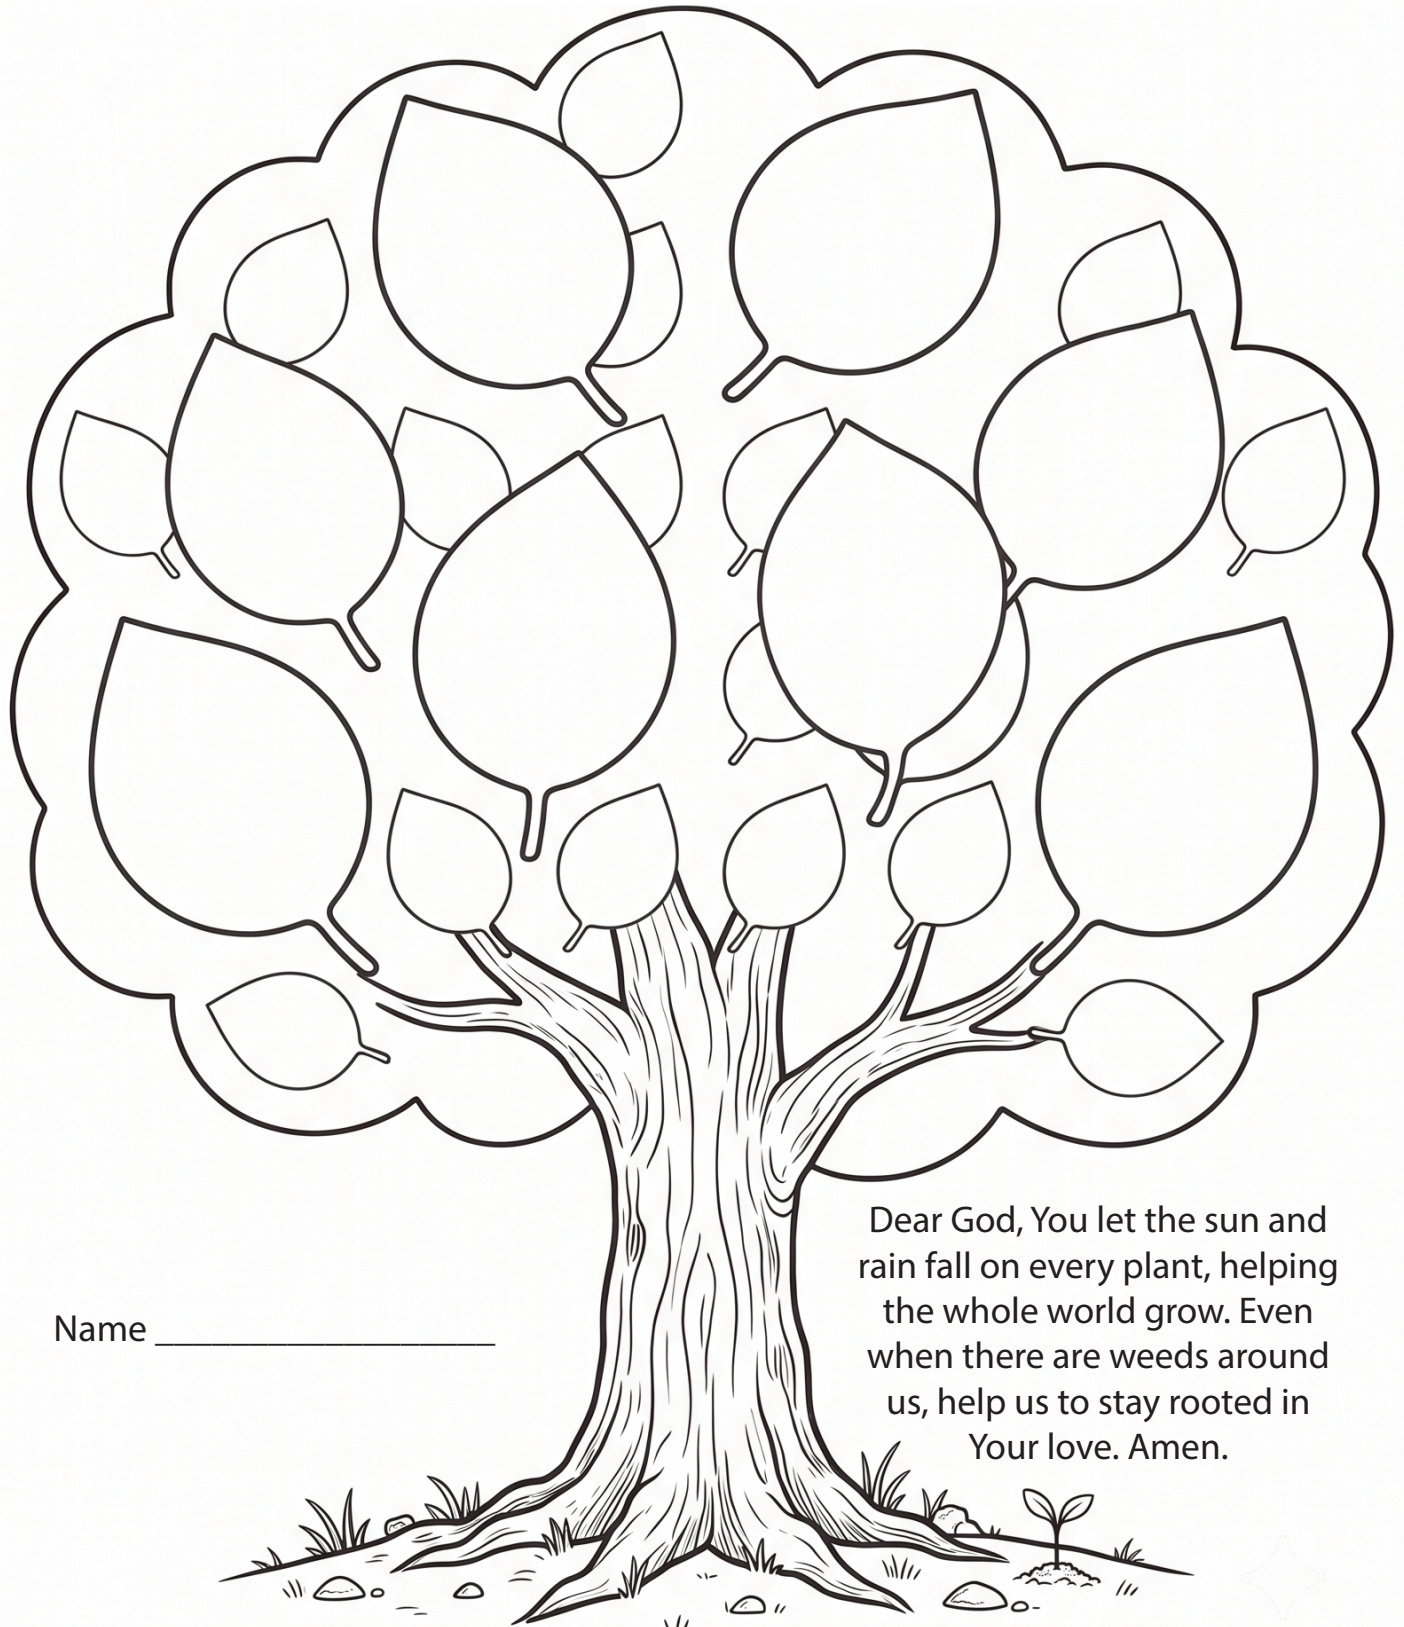

Parents, please take some time to enjoy this Sunday's activity together with your children.

Start by scanning the QR code to watch the animated **Children's Homily** video, and then chat about what you have learnt whilst your children complete the work below. At the end, say the **prayer together**. I would love for you to encourage them by sharing their finished creations with family and friends using the hashtag **#malewezihomily**

MY GOOD WORKS LEAVES

Write or draw your good works on the leaves, and then have fun decorating your tree!

Name _____

Dear God, You let the sun and rain fall on every plant, helping the whole world grow. Even when there are weeds around us, help us to stay rooted in Your love. Amen.
